## Property Description

Morgan's International Realty is pleased to offer you full floor unfurnished 5 bedroom penthouse in Volante Tower, Business Bay The sophisticated apartment is 1.000 square meters wide (full floor apartment) and is decorated with custom-made doors, feature- panelling, kitchens and bathrooms, all designed and made-in-Italy by Saporiti Italia. A dry kitchen completes the setup of the living space, and is supplemented by a wet kitchen further inside the penthouse. The penthouse makes use of travertine marble, Zebrano wood and Jordanian limestone for a superior quality finish, and has fully integrated smart home technology to seamlessly control the internal ambiance and security. Volante offers its residents a full suite of first-rate amenities at the Resident's Club located on the 4th floor. These include a lounge, outdoor pool, fully equipped gym, spa, wellness center, conference room and private theatre. This incredible penthouse would be an ideal primary or secondary home for our most discerning clients. Volante is a new 35 storey tower located in prestigious Business Bay area, directly facing Dubai Canal and Burj Khalifa Tower.
