Property Description

Morgan's International Realty is Proud to Present one of a kind penthouse in Volante Tower Business Bay The whole floor apartment is 10,000 sq ft and has five bedrooms. As with all apartments in Volante the whole floor unit has a front 'light' kitchen and a 'wet' kitchen at the rear of the unit. The most striking feature of the whole floor unit is the expanse of space and light which links to the terrace which is an impressive 640 sqft. In addition the whole floor unit has a study with views directly looking to the Burj Khalifa. The master bedroom has its own sitting room and his and her dressing rooms. All bedrooms are en-suite and all bathroom are finished in Italian travertine marble. The apartment will also accommodate three live-in members of staff comfortably. Specification: Every apartment has two kitchens, a light kitchen in the main living area as well as a wet/heavy duty kitchen in the rear of the apartment with piped gas for cooking. All apartments have Italian travertine marble floors in the living areas and bedrooms. Wall finishes to all apartments have on a combination of Zebrano wood paneling, Jordanian limestone, and plaster and paint. All doors and fitted cabinets are in Zebrano wood from East Africa. All apartments have a terrace that can easily seat 10 people for dinner. All apartments are fitted with a fully integrated smart home system that controls, lighting, audio, AC, curtains and security. Parking allowance is four cars per whole floor unit and two per half floor unit.
